To Whom it May Concern

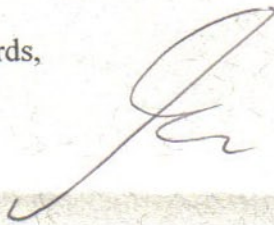

Re: Reference for Daily Painting Services Pty Ltd.

Northside Constructions Pty Ltd have used the services of Daily Painting Services over the past three years on a range of projects. The larger of these projects was the 'Bowral House' Nursing Home, where the painting contract value was \$200,000.00 + GST for internal & external painting works.

Throughout the projects I have found Rawand and his team easy to deal with a high level of finish achieved at the end of each stage.

I would not hesitate in recommending Dailey Painting Services for any future work, and look forward to working with Rawand on our next project.

Regards,

Andrew Elmslie
Construction Manager
