

9th June 2010

Letter of Recommendation

To whom it may concern

Proline Building would like to provide this letter as a recommendation for Daily Painting Services. Daily Painting have completed numerous commercial projects ranging from heritage buildings to Schools.

All works have been completed on time and were carried out in a workman like manner. Daily Painting have been cooperative and are a pleasure to work with. We would recommend them for use on any painting projects.

Regards,

Daniel Holden
