RE: Daily Painting Services P/L

We recently undertook a large renovation at our Chatswood offices, which included extensive painting throughout, for new and existing walls and joinery over 2 levels.

Daily Painting Services were recommended to us by our builder and we have been thrilled at the professionalism and workmanship of Rawand and his team. They have taken every step to ensure correct preparation of the walls – filling in countless holes left by previous commercial tenants, protection of fittings and floors, and have also completed the job in great time.

I have no hesitation of recommending Daily Painting Services, and we will be using their services again for our next stage of refurbishments.

Sincerely,
